

## **Harvey's Lake Beach Committee: Meeting Minutes**

**May 12, 2014:** Meeting at the beach. Present: Ruth, Sue, Christen, Sarah, Joyce, Philo, Jan Sherman, Lou Bushey. We decided to table discussion of vendors/instructors using the beach until we develop policy around this and have it approved by the selectboard. Sue has notified the paddle board and yoga instructors of this decision. We can revisit it later this summer after we are up and running. Lou recommends we look into the original grant used to purchase the land the beach is on and see if there are any restrictions on vendors, etc. Grant came from state LCWF. (Land & Water conservation fund.) Philo will look into this. He also volunteers to be our facilities manager. Thank God. See doc 'beach cleanup/maintenance list' for further info of what we discussed at the beach.
