

Harvey's Lake Beach Committee: Meeting Minutes

Monday October 13, 2014: Present: Sue and Kelly (meeting cancelled because no quorum)

AGENDA:

- Beach clean-up, other business as follows:
- Where we ended the year financially In comparison to past years for passes, pavillion rentals, etc.
- The total we have in our (playground fundraisers) reserve fund. Christen took down the donation pot from our concert and delivered to Sue R and Shelby S their portions. C has heard from a few people that sent donations directly to the town clerk and labeled them playground fund.
- Are we planning on meeting still monthly over the winter? If we are voting Christen's vote would be at least every other month, since we have been tabling a bunch of stuff that needs to be dealt with but not during the heart of summer.
- Do we want to recommend a paid beach director position next year to our selectboard?
- Town report: when is our report due? What should be included?
- Other: goals for the next summer to guide winter work, barrels put away, returnables taken care of. Tables under the pavilion. Should we use the snow fencing? Vinyl sign to replace the hand painted wood sign. **Beach web site????**
