### Librarian's Report

- Not a lot of Bookopoly returns, Dylan not sure why. Low numbers reported by other libraries.
- Automation moving right along, barcoded through Robinson in adult fiction. Sarah Daniels helping with the barcoding process.
- Gabrielle Rose Anzalone is helping with alphabetizing and weeding children's collection.
- Tom Tolle helping with closet plumbing so closet can be better utilized.
- Trunk or Treat – collaborate with the school PTF? Have in combo with the Haunted Forest at the school. Better safety, more parking and more opportunity for more community members and kids to get involved.
- Sounds like a great plan! Considering tractor rides and hot drinks etc. Blue Mountain Union not doing Trunk or Treat this year, be prepared for large numbers.
- Dylan out of town for Sept 20-Sept 27<sup>th</sup>. Sherry has it covered.
- Access to ILL resolved for now, Dylan will keep us posted.
