Ms. Marceau indicated that Mr. Larocque spearheaded efforts for improvements to the facility in 2003, including adding pavement, guardrails, lined parking spaces, etc., and was also instrumental in securing the original right-of-way for to create the park-and-ride at an earlier date. Ms. Marceau indicated that no other individuals in Town could make a similar claim for credit for the facility's creation and improvements. Town Clerk Benjamin Heisholt indicated that the park-and-ride is a Town-owned facility, entirely maintained by the Town, and that the State of Vermont would allow the dedication of the facility without notice or comment. Discussion ensued.

- d. **Green Up Day.** Mr. Chase reported that the Highway Department's participation in Green Up Day was smooth and efficient.
