

Those present in the Town Clerk's office conference room for the 7 p.m. meeting: the Secretary, Shirley Warden; Board Members, Karen Stark, Benjamin Adams, Mark Bowen, Bruce Denio, William Biddle & Dennis McLam. Dakota Butterfield stopped in to see if there was a quorum and there was so she was excused.

Chairman, Biddle called the meeting to order at 7:10 p.m.. Neither the Perillos or someone to represent them for the public hearing so Warden suggested running the rest of the agenda to see if they came.

There were no member of the public. The minutes for January 8, 2019 were approved by a motion from Stark, seconded by McLam and all concurred .

Warden reported a notice from the Town of St Johnsbury of a public hearing to amend their Zoning & Subdivision bylaw & code, and a copy of the sewage permit issued by the State to Charles Somers for his property on Anderson Street; lot #26-01-08. This allows a 2 bedroom apartment over an existing garage.

Bowen said he had notice from NVDA of a workshop for Enhanced Energy committees on March 20, 2019 in East Charlestown.

It was noted that the public hearing for an amendment to the Barnet Town plan to allow "Village Center Designation" will be on March 13, 2019 at 7 p.m. at the Town Clerk's Office.

After a brief review of the Perillo application and finding there were a lot of questions needing answers and the fact that noone had showed up, Bowen moved and Stark seconded to hold this application until the April meeting, requesting the Perillos attend the meeting. All voted to hold the application.

Bowen moved & Denio Seconded to adjourn at 7:45 p.m..
